

DEAR

Ho Ho Ho as Santa would say,
I'm one of his elves and I've come to stay
for a while at least to watch and to play
in your home with you until Christmas Day.

So, while your awake, I'll be keeping an eye
on all of the happenings, the reasons and whys
I'll be reporting to Santa, I won't ever lie
he'll know anyway so I won't even try.

Remember to be good to stay on the list
of all the nice kids who get their best wish
nothing you do will ever be missed
but, I know sometimes you will want to resist.

I'm excited to meet you, I think that you'll find
I'm generous and fair, and loving, and kind.
And as you're asleep, I'll be just fine,
but, could leave me a snack, if you're so inclined.

While you are asleep I'll be having some fun
exploring and playing or going for a run.
When you finally awaken and you're up with the sun
you'll giggle and laugh at the mischief I've done.

SINCERELY,

DEAR

It's hard to believe that the season is nearly over. Christmas is so close now. Santa needs me to come back and help finish all the last minute details before his big flight.

I've enjoyed spending these last few weeks with you and your family. It's so good to know that you are doing such good things for your friends and family.

Before I go, I've left one more surprise for you. But, you'll have to find it.

Don't forget to leave cookies and milk out tonight for Santa. And, if you think of it, maybe you can leave some carrots for the reindeer too.

I've got my final report all ready for Santa. I'll give it to him as soon as I get there. Then, I'll get to have some of Mrs. Claus' cookies before I finish packing up the toys I've been assigned.

Remember to keep doing your chores, and being kind to others. I'll be back next year. Until then, Merry Christmas and have a happy New Year.
