

Homeschool Montessori

Ideas for Winter

1. Blow bubbles outside and watch as they crystallize before your eyes.
2. Track wildlife prints left in the snow.
3. Paint in the snow using spray or squirt bottles filled with water and food coloring.
4. Create a sculpture, much like a snowman. Use spray or squirt bottles filled with water and food coloring to decorate it.
5. Make icicle art. Fill ice cube trays, muffin trays, or molds with water and food coloring. Use the cubes to create art.
6. Bake bread together.
7. Study animals that hibernate.
8. Celebrate holidays around the world.
9. Shovel snow.
10. Make bird feeders for Winter birds.
11. Learn about how ice is formed.
12. Grate cinnamon sticks.
13. Snowflake matching card game.
14. Do bark rubbings.
15. Plant bulbs.
16. Cut out paper snowflakes.
17. Make popsicle sticks snowflakes.
18. Investigate what will freeze and what will melt.
19. Learn about hobbies and activities that are popular in winter.
20. Do a Winter scavenger hunt.
21. Make a snow castle. (Similar to a sandcastle)
22. Play tic-tac-snow.
23. Pin the nose (carrot) on the snowman.
24. Learn about the Winter Solstice.
25. Bake and decorate gingerbread cookies.

Snowflake Matching Game

Print out on card stock x 2. Cut out and play "snowflake snap" or "snowflake memory"..
